# Renton Sailing Club

I understand that the Renton Sailing Club is a non-profit club organized primarily to promote sailing. I understand that the Club has no regular employees to maintain equipment or supervise members in sailing activities. I further understand that, to keep costs down, members must share in the responsibilities of running the Club, serving as Club officers, and assisting with maintenance, repair and Club improvement activities.

I am willing to assist with: (Check all that apply)

I understand that, until I complete the basic course of instruction and/or pass the Orientation Test (both written and practical), I will be able to use Club boats only under the supervision of qualified Club members.

I have read the Bylaws of the Club, which outline the rights and responsibilities of membership, and I agree to be bound by those provisions as stated or as amended.

I recognize that sailing can be hazardous, and I assume all risks for injury or damage from any cause whatsoever, resulting directly or indirectly from the use of, or reason of presence in or on the Club grounds, buildings, boats or equipment.

I understand that no one is to operate a vessel while under the influence of alcoholic beverages or controlled or illegal substances, and no one who appears intoxicated or under the influence of a controlled or illegal substance will be allowed on board.

I also agree to indemnify and hold the Renton Sailing Club, its Board of Trustees, the City of Renton, and the Renton Parks Department harmless from any liability whatsoever, caused by or related in any way to use or possession of the Club's equipment and facilities by me, my family members or anyone else using a boat which is checked out to me.

I acknowledge by my signature that I have read the above terms and conditions, and that I agree with them.
