FLOAT TEST**

Every participant must successfully pass a float test prior to the first water session of a small craft class. In deep water, while wearing long pants and a long sleeve shirt, you must float, tread water or swim in place for ten minutes. In the final minute of the test, you must put on a life vest while continuing to tread water. A ten minute float test is valid for three years.

Float tests must be taken at public swimming pools or public beaches under the supervision of a lifeguard certified by the American Red Cross. Regular pool admission is charged.
