Founded in 1965, Renton Sailing Center is a 501(c)(3) non-profit community sailing organization dedicated to the sport of sailing. We foster a family-like atmosphere to support the interests of sailors of all abilities.

As a member of RSC, you will have the chance to learn the necessary skills to sail safely and efficiently in our boats. You will also have opportunities to make your own contribution to the organization through teamwork and volunteering.

Renton Sailing Center provides US Sailing Small Boat and Basic Keelboat instruction, as well as sailing clinics. The Center also supports an active small boat skill-building and racing program that begins in May and goes through the summer.

Our US Sailing Instructors are experienced, excellent instructors who know how to put the fun into learning something new.

We hope you will come join us!
